Go Green with the Green Wisp in Sonic Colours!

Sonic Colours gets more colourful all the time! The Green Wisp is the next in line to unveil its special Colour Power. By absorbing the Green Wisp Sonic gains the ability to soar in the air with the “Green Hover” Colour Power enabling you to find hidden paths, or explore much higher levels than normal! With help from the Green Wisp’s Colour Power you are able to perform a Ring Dash near a series of rings!

More Colour Power reveals soon…
